BORDEAUX RED WINE 2018

Wine Spots Bordeaux Red Wine features complex aromas of blackberry, plum and cherry, with hints of spice. The wine is rich and elegant in the mouth, well-balanced with ripe, toasty tannins.

BORDEAUX. FRANCE

Bordeaux, one of the most famous wine regions in the world, is acclaimed for its terroir, which plays a vital role in wine production. Ideal soil structure and an oceanic climate combine to create an excellent environment for growing vines, further influenced by two rivers that subdivide the region.

THE WINEMAKING

The grapes were handpicked from mature vineyards and underwent cool fermentation and skin maceration. The wine was aged for 12 months in French oak barrels, 20% new, to develop supple tannins.
