## NAPA VALLEY CABERNET SAUVIGNON 2014

Wine Spots Napa Valley Cabernet Sauvignon is elegant, full-bodied wine offering a rich array of dark berry fruit, currant, cedar and chocolate notes. Aged in French oak to bring out balanced, integrated flavors and developed, silky tannins, this is a classic example of the celebrated characteristics that make Napa Valley so famous.

### THE NAPA VALLEY

Napa Valley is widely considered one of the top wine regions in California and the United States. Though small in size, Napa Valley consists of 14 appellations with unique micro-climates and varying soils, offering ideal winemaking conditions. A combination of maritime climate, mountain and valley topography and varying soil combine to offer exceptional potential for growing a broad range of grape varieties.

### THE VINEYARDS

The fruit for the 2014 Wine Spots Cabernet Sauvignon was sourced from the Stags Leap, Rutherford and St. Helena AVAs. The gravelly, well-drained hillside soils are exposed to sunlight at low temperatures, producing wines with a dense palate and great structure.

### THE FOOD AND WINE PAIRINGS

Enjoy with heavy dishes like roast beef, grilled steak and hearty stews.
