NAPA VALLEY CABERNET SAUVIGNON 2017

Wine Spots Napa Valley Cabernet Sauvignon is elegant, full-bodied wine. Aromatics of black stone fruit and chocolate lead towards a richness on the palate. Aged in French oak to bring out balanced, integrated flavors and developed, ripe and focused tannins, this is a classic example of the celebrated characteristics that make Napa Valley so famous.

THE NAPA VALLEY

Napa Valley is widely considered one of the top wine regions in California and the United States. Though small in size, Napa Valley consists of 14 appellations with unique microclimates and varying soils, offering ideal winemaking conditions. A combination of maritime climate, mountain and valley topography and varying soil combine to offer exceptional potential for growing a broad range of grape varieties.

THE VINEYARDS

The fruit for the 2017 Wine Spots Cabernet Sauvignon was sourced from the Stags Leap, Rutherford and St. Helena AVAs. The gravelly, well-drained hillside soils are exposed to sunlight at low temperatures, producing wines with a dense palate and great structure.
