NAPA VALLEY

Napa Valley is one of the most prestigious wine regions in the world. Small in size, Napa Valley is diverse, comprised of 14 sub-appellations, each with their own unique soils, micro-climates, and terrain. This offers ideal conditions for growing a range of grape varietals. The intimate connection between terroir and vine is expressed in the wines and their distinctive styles. Cabernet Sauvignon plays a dominate role in Napa Valley, with iconic power and grace.

WINE SPOTS WINES

- Limited-production wines from favorite wine "spots" around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or "spot" indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.
