MERLOT 2024
NAPA VALLEY

Our Merlot is crafted using small lots of wine sourced from superb vineyard sites thoughout Napa Valley's sub-appellations, each lending their own signature characteristics to build an elegant Merlot. Black raspberry, cherry and plum aromas are accented by notes of vanilla. The dark red fruit notes are carried onto a lush palate with hints of toasty oak. French oak aging lends to the fine-grained tannins and lingering finish. Enjoy with poultry, red meat, grilled salmon, duck, seared tuna, and mushroom dishes.

NAPA VALLEY

Napa Valley is one of the most prestigious wine regions in the world. Small in size, Napa Valley is diverse, comprised of 14 sub-appellations, each with their own unique soils, micro-climates, and terrain. This offers ideal conditions for growing a range of grape varietals. The intimate connection between terroir and vine is expressed in the wines and their distinctive styles. Napa Valley is ideal for growing Merlot, yielding a wine of elegance and velvety texture.

WINE SPOTS WINES

- Limited-production wines from favorite wine "spots" around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or "spot" indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.
