SAUVIGNON BLANC 2025 NORTH COAST

Our North Coast Sauvignon Blanc is sourced from vineyards planted in volcanic and gravelly soils that impart distinctive flavors to the grapes. Citrus notes of lime and grapefruit are accented by green apple and hints of herbs. The wine was fermented at cool temperatures to preserve the graceful minerality. The bright acidity is carried throughout the crisp, mineral finish.

SILVER MEDAL, HIGHLY RECOMMENDED - Beverage Testing Institute, 2026

NORTH COAST

The complexity of California's North Coast is showcased in its diverse appellations, each with their own unique geography, soils and micro-climates. The cooling influence of the Pacific Ocean plays a crucial role, where the mild climate develops complex Sauvignon Blanc wines.

WINE SPOTS WINES

- Limited-production wines from favorite wine "spots" around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or "spot" indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.
