CHARDONNAY 2024 SANTA BARBARA

Our Santa Barbara Chardonnay is sourced from vineyards planted in limestone and clay loam soils. The result is a Chardonnay that showcases a purity of fruit, balanced acidity, and velvety texture. Delicate notes of tropical fruit are reflected on the palate, with nuances of sweet oak to create a well-balanced Chardonnay.

93 POINTS, GOLD MEDAL - Beverage Testing Institute - 2021 Vintage

SANTA BARBARA COUNTY

Santa Barbara, located north of Los Angeles, is the longest transverse valley along the Pacific Ocean's coastline. The valley's unique east-west facing direction and cooling maritime influence creates one of the longest growing seasons in California, resulting in an extended hangtime, ideal for Chardonnay wines.

WINE SPOTS WINES

- Limited-production wines from favorite wine “spots” around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or “spot” indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.

“Wine Spots is a tribute to my love for travel and my journey through the world of wine. The wines are crafted to showcase the regions and varietals I am most passionate about and in a style that I want to share with my friends and family.”
- Daniel LeFrancois
