SONOMA COAST

The Sonoma Coast appellation, spanning the Northern California coastline, is renowned for its marine influence and Burgundian-style terroir. Mild days and cooling breezes from the Pacific Coast offer ideal growing conditions for elegant Pinot Noir wines.

WINE SPOTS WINES

- Limited-production wines from favorite wine "spots" around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or "spot" indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.
