CABERNET SAUVIGNON 2023 SONOMA COUNTY

Our Sonoma County Cabernet Sauvignon reflects careful vineyard selection from select sub-appellations across the region. The wine opens with classic dark fruit aromas of blackcurrant, blackberry, and dark cherry, followed by a rich yet balanced palate with polished tannins and fresh acidity, finishing smooth and lingering with hints of cocoa, cedar, and subtle spice from oak aging.

SONOMA COUNTY

Sonoma County, bordered by the Pacific Ocean and the Mayacamas Mountains, is home to some of the most diverse wine appellations in the world. From the steep mountains to the rolling benchlands and valley floor plains, Sonoma County's varying climate, topography, soil and the distance between each AVA produces wines of unique character and style.

WINE SPOTS WINES

- Limited-production wines from favorite wine “spots” around California.
- Crafted from small lots of select vineyards from each region - the wine drip on the label, or “spot” indicates where the wine is from
- Name and label inspired by Daniel's travels in France - a wine drip on a map led to a backpacking trip through Bordeaux, and sparked his love for wine.
